Examiner(s): Marzano Monterosso,

Summary of the communication

The amendments filed with letter of 28.07.2005 have been objected to with respect to Art. 34.2(b) PCT since they are considered to extend beyond the disclosure in the international application as filed.

A way of overcoming the above mentioned objection, together with the clarity objection (Art. 6 PCT) pointed out in the written opinion, has been discussed: the terms "directed" on line 5 and "divided" on line 7 of claim 1 should be replaced by the terms "directable" and "dividable" respectively. A time limit of 14 days for filing amended claims has been agreed upon together with the Representative, in consideration of the fact that the time limit for entering the regional phase is approaching.
